October: Horse and House at Weston Park organised with Gareth Williams

November: Estate management, Agricultural developments, Model farms.

Expressions of interest. Late August overnight visit to South Derbyshire. Melbourne Hall, Catton Hall and Foremarke. Please let me know if you are interested in the idea.

PLEASE NOTE (small print): Unless otherwise stated, no interior photographs of houses are permitted; Exterior photos are allowed with the owner's permission. The organisers take no responsibility for any accident or injury that may occur during these events or at the venues visited. Ensure you have adequate and appropriate insurance cover. The programme may be changed for reasons beyond our control. No refunds unless the event is cancelled by the organiser.

****PLEASE BRING YOUR NATIONAL TRUST/HHACARDS IF YOU ARE MEMBERS****

The price for events is more than I would wish, but the entry fees charged by owners has gone up considerably over the years; they are definitely no longer the 'half-crown houses' and perhaps rightly so if we wish to keep them maintained and accessible for visits. Although HHA properties are free to members, charges are usually made for private guided tours.
